To whom it may concern:

I am writing this reference letter to recommend Ms. Peggy Fitzpatrick and her company Ice Time Europe to anyone who needs support in preparing and operating sport events. I have known Peggy Fitzpatrick now for the past five years and I can honestly say that she is extremely helpful, knowledgeable and cooperative.

Peggy has helped to optimize our family program during various IIHF Ice Hockey World Championships. The World Junior Championship and the U18 Championship categories are great opportunities for the families of players to travel with the team to these international events. Whenever these championships are held in Europe, Peggy and her team have been very helpful in organizing accommodation, setting up transportation and recommending dinner and tour options. Peggy is handling all family requests personally and she provides a high level of service.

We would like to thank Peggy Fitzpatrick for all of her help in the past years and we will continue to work with her for future events.
