*„Thank you Peggy! Speaking for NHL scouts the 2015 IIHF World U18 Championship has been the most organized tournament for us for hotels and accreditation.“*

*„My first experience with Ice Time Europe goes back to 2011 when the IIHF World U18 Championships was held in Crimmitschau and Dresden, Germany. Mine and our team staff experience was absolutely excellent and after that we are contacting Peggy Fitzpatrick on a regular basis when we need help in Europe. That includes another IIHF World U18 Championships this past spring in Switzerland and a few more other hockey events we had to travel for. There was just nothing to complain about and I have always appreciated how quick you are getting all information you need and that you know that it is hard to beat those offers when it comes down to booking hotels. Definitely looking forward to future cooperation with Ice Time Europe.“*
