Dear Peggy/Sylvia

*I wanted to send you a quick note to say a huge 'Thanks' for the tremendous trip you coordinated for our team in September.*

*Since becoming Head Coach of the Warriors in 2005 our program has travelled to Europe three times. The first trip I coordinated on my own and the last two times we travelled with Sports Time Europe. In all honesty there is no comparison between the trips. The experiences Peggy and Sylvia have coordinated between competitions have been absolutely awesome. Many of these activities are what the players talk about and will continue to talk about for years to come. In all honesty I am confident that I could arrange good hockey experiences, but from Canada I would not be able to coordinate elite life experiences in European countries. During our two trips we have played games in Germany, Switzerland, and Italy and in between games we have included with entertaining, historical, enjoyable experiences.*

*As the Coach it has been very comforting having Peggy and Sylvia lead our trips. Every detail was organized in advance of the trip and if anything, unexpected came up, they were by our side to find a solution.*

*Peggy and Sylvia are tremendous leaders and it is obvious they sincerely love their jobs. We have become friends and continue to stay in touch in the years between trips. Without question we fully plan to work with Sports Time Europe for our next trip in 2023!*

*Cheers!!!*
